### HEALTH – I NEED YOUR HELP

These past few weeks have really been a time of trials for me, and continue even as I write this Newsletter. This month is the first anniversary of Christa’s journey to heaven, and I miss her so much, even though I know where she is. I just don’t know how long the pain lasts. Then came another type of pain! On the day I sent out my last Newsletter I was admitted to hospital with heart attacks. After various examinations, they found out that the heart attacks were symptomatic and in fact were coming from stones in my gallbladder! They also found markings on my lungs and this is being investigated at the moment. The operation to remove the gallbladder is planned for Saturday 24 September. I was able to cover the costs of the last hospital stay and three specialists who saw me, but the forthcoming operation and hospital costs are going to cost me approximately \$4,000. If you are able to help me with this cost, I would be very grateful if you could send your donation to one of the addresses below marked “Operation.” I thank you in advance and will keep you updated. Friends, I can’t stop mission work whilst so many are falling into hell.

### DISCIPLESHIP DIPLOMAS

This month twenty-five members of our church were presented with their diplomas for completing a six-month discipleship course. I am so happy to see so many youths among the twenty-five. There is a real fire burning among our people to learn more about Jesus Christ. I am so proud of each of them and also Pastor Juan Carlos and his wife Miriam for teaching them.

## CHURCH

The church is growing and we are running out of space, especially for the children! We are praying for a new piece of land that God will give to us. Meanwhile this month, the ladies decided that the church needed painting, so they grabbed their husbands and got to work! Please join us in prayer.

*Time for a break!*

## INDEPENDENCE DAY

The 15<sup>th</sup> of September was Guatemala's Independence Day Celebration. To celebrate this day many churches, schools and organizations had torch runs through the streets. Our church also took part, and even though it was pouring down with rain, this did not dampen the enthusiasm of our members. The 8km run finished at the church. A quick shower and then a time of worship in the church.

## PIZZAS

My missionary friend Karen Bedford spent an afternoon teaching some of the ladies in our church how to make pizzas. They were very excited to be able to make a pizza for the first time. I am so grateful to Karen for all her help.

## HOUSE BETTY

The house, hopefully, will be completed in another 2 months. Our sister Betty and her daughter are so excited and grateful for the donations that have made this possible.

## PRAYERS

1. A missionary couple to join in with this ministry.
2. \$4,000 for my operation.
3. The complete healing of my heart physically and spiritually.
4. More souls for the Kingdom of God
5. Thank you for your prayers.

God bless you all
