CHURCH

This past month there has been a lot of activity in the church building. Walls have been replastered, repainted, a false roof fitted above the platform, and the main roof repaired. The toilet was also demolished and a new one rebuilt so there is access for wheelchairs. This was badly needed as two of our members use wheelchairs. All this hard work was completed by many volunteers and without labour costs. These people worked many a night until midnight! I am proud of them.

DANCE TEAM

The dance team were also busy during January designing new costumes. Pastor Juan Carlos wife, Miriam, has done a wonderful job of instructing the team, and there is a real sense of togetherness amongst the girls. At times I wonder how these people who are so poor, still manage to get material and make such wonderful costumes. But then I understand that everything is possible with God.

HEALTH

We truly need your prayers for our church as sickness and ailments have come upon some of our members. Pastor Juan Carlos is suffering from diabetes 2 and is at present undergoing different exams. I have just undergone major surgery and will have to spend several weeks recovering at home. Of course, it is frustrating for both Pastor Juan Carlos and me, but I know God is still on His Throne and in control. Please keep us both in your prayers.

PRAYERS

1. Hospital and Medicine costs.
2. Health for members of our church.
3. Personal finances.
4. Fellow Globe missionaries, Joe & Karin Bedford.

God bless you all.
